

**Courses Approved to Satisfy the Experiential Learning Requirement
for the College of Agricultural and Environmental Sciences**

Creative:

FDST 4400 Experiential Senior Project in Food Science

Global:

AAEC 3911 International Agribusiness and Environmental Management
ADSC 3911 International Agribusiness and Environmental Management
AESC 3160 Food Production Systems in Western Europe
AESC 4530 Agriscience and Environmental Systems Study Tour
AFST 3911 International Agribusiness and Environmental Management
ANTH 4931 Agroecology of Tropical America Field Trip
CRSS 3540 Soil Morphology and Interpretation
CRSS 4700L Hydrology, Geology, and Soils of Georgia
CRSS 4931 Agroecology of Tropical America Field Trip
ECOL 4700L Hydrology, Geology, and Soils of Georgia
ECOL 4931 Agroecology of Tropical America Field Trip
ENGR 4700L Hydrology, Geology, and Soils of Georgia
ENTO 3140 Insect Natural History
ENTO 3140L Insect Natural History
ENTO 3650 Medical Entomology
ENTO 3650L Medical Entomology
ENVM 3911 International Agribusiness and Environmental Management
FDST 3050 Viticulture and Enology in the Mediterranean Region
FDST 4150 Coffee (El Grano de Oro): From Bean to Cup
FDST 4910 China Food Development and Trade
FHCE 3911 International Agribusiness and Environmental Management
GEOG 4700L Hydrology, Geology, and Soils of Georgia
GEOG 4931 Agroecology of Tropical America Field Trip
GEOL 4700L Hydrology, Geology, and Soils of Georgia
HORT 3050 Viticulture and Enology in the Mediterranean Region
HORT 3900 Horticultural Study Tour
HORT 4931 Agroecology of Tropical America Field Trip
PATH 3050 Viticulture and Enology in the Mediterranean Region
POUL 4150 Field Studies in Avian Biology
WASR 4700L Hydrology, Geology, and Soils of Georgia

Internship:

AAEC 3910 Internships
ADSC 3910 Internship in Animal and Dairy Science
AESC 3910 International Agriculture Internship
AESC 3920 Agricultural and Environmental Sciences Internship
AGCM 3910 Internship in Agricultural Communication
AGED 5460 Student Teaching in Agricultural Education

ALDR 3910	Internship in Leadership
ANTH 4261	Museum of Natural History Internship
BIOL 4261	Museum of Natural History Internship
BTEC 3910	Internship in Applied Biotechnology
CRSS 3910	Crop Science Internship
CRSS 3920	Environmental Soil Science Internship
CRSS 3930	Turfgrass Management Internship
ECOL 4261	Museum of Natural History Internship
EETH 4261	Museum of Natural History Internship
ENTO 3910	Entomology Internship
ENTO 4261	Museum of Natural History Internship
ENVM 3910	Internships
FANR 4261	Museum of Natural History Internship
FDST 3910	Food Science Internship
GEOG 4261	Museum of Natural History Internship
HORT 3910	Horticulture Internship
HORT 3920	UGarden Internship
PATH 3910	Plant Pathology Internship
PATH 4261	Museum of Natural History Internship
PBIO 4261	Museum of Natural History Internship
POUL 3910	Internship in Poultry Science

Research:

ADSC 4960	Undergraduate Research in Animal and Dairy Sciences
ADSC 4960H	Undergraduate Research in Animal and Dairy Sciences (Honors)
AESC 4095	Undergraduate Research in Organic Agriculture
AESC 4960	Undergraduate Research in Agricultural and Environmental Sciences
CRSS 4960L	Undergraduate Research in Crop and Soil Sciences
ENTO 4960	Undergraduate Research in Entomology
PATH 4960	Undergraduate Research in Plant Pathology
POUL 4960	Undergraduate Research in Poultry Science

Service:

AESC 2990S	Understanding and Communicating with the Latino Community in the Green Industry
AESC 3150S	Topics in International Agriculture
AESC 4920S	FOCUS (Fostering Our Community's Understanding of Science): Service Learning Experience
ALDR 3900S	Leadership and Service
ENTO 3300S	Outreach and Service-Learning in Entomology
FCID 4920S	FOCUS (Fostering Our Community's Understanding of Science): Service Learning Experience
HORT 3333S	Conserving Native Plants
HORT 3450S	Residential Landscape Construction
HORT 4095S	GPS/GIS Applications for Landscape Managers
