

Courses Approved to Satisfy the Experiential Learning Requirement for the College of Engineering

Creative:

CSEE 4920	Capstone Engineering Design Project
CVLE 4920	Capstone Design Project II
ENGR 4911	Engineering Design Project II
ENGR 4920	Engineering Design Project
ENGR 4990	Undergraduate Thesis in Engineering
ENVE 4920	Environmental Engineering Senior Design II
MCHE 1940	Mechanical Engineering Design Studio and Professional Practice
MCHE 3920	Manufacturing and Design Studio
MCHE 4910	Mechanical Engineering Capstone Design I
MCHE 4920	Mechanical Engineering Capstone Design II

Internship:

ENGR 3900	Cooperative Work Experience
ENGR 3910	Cooperative Work Experience

Research:

ENGR 4960	Undergraduate Research in Engineering
ENGR 4960H	Undergraduate Research in Engineering (Honors)
