

**Courses Approved to Satisfy the Experiential Learning Requirement
for the Warnell School of Forestry and Natural Resources**

Creative:

FANR 4500 Senior Project in Forestry and Natural Resources Management

Global:

ANTH 4271 Field Studies in Natural Resources
ANTH 4760 Agroforestry in the Caribbean
CRSS 4760 Agroforestry in the Caribbean
ECOL 4250 International Forest Management
ECOL 4271 Field Studies in Natural Resources
ECOL 4575 Conservation Medicine
ECOL 4575L Conservation Medicine
ECOL 4760 Agroforestry in the Caribbean
ECOL 6250 International Forest Management
FANR 4201 Spatial Analysis for Integrative Natural Resource Problem Solving
FANR 4201L Spatial Analysis for Integrative Natural Resource Problem-Solving Laboratory
FANR 4202 People, Economics, and Nature in a Global Context
FANR 4202D People, Economics, and Nature in a Global Context
FANR 4271 Field Studies in Natural Resources
FORS 4250 International Forest Management
FORS 4760 Agroforestry in the Caribbean
FORS 6250 International Forest Management
GEOG 4250 International Forest Management
GEOG 6250 International Forest Management
GEOG 4271 Field Studies in Natural Resources
INTL 4271 Field Studies in Natural Resources
RLST 4271 Field Studies in Natural Resources
WILD 4575 Conservation Medicine
WILD 4575L Conservation Medicine
WILD 5200 International Issues in Wildlife Conservation

Internship:

ANTH 4261 Museum of Natural History Internship
BIOL 4261 Museum of Natural History Internship
ECOL 4261 Museum of Natural History Internship
EETH 4261 Museum of Natural History Internship
ENTO 4261 Museum of Natural History Internship
FANR 4261 Museum of Natural History Internship
FISH 3900 Fisheries Internship
FORS 3900 Forestry Internship
GEOL 4261 Museum of Natural History Internship
NRRT 3900 Natural Resources Recreation and Tourism Internship
PATH 4261 Museum of Natural History Internship
P BIO 4261 Museum of Natural History Internship
WASR 3900 Water and Soil Resources Internship
WILD 3900 Wildlife Internship

Research:

FANR 4600 Senior Thesis in Forestry and Natural Resources

Service:

FANR 4273S Field Studies in Sustainable Development

FANR 4444S Foundations of Environmental Education
