**Non-Credit Experiences Approved to Satisfy the Experiential Learning Requirement
for the Grady College of Journalism and Mass Communication**

When extracurricular activities are used to satisfy the requirement, students will be required to secure approval from the Experiential Learning Certification Officer in advance of the experience, and to provide a substantive written document following the experience, reflecting on how it fulfilled the learning outcomes of the requirement. This written document must be reviewed and passed as satisfactory by the student's department head prior to certification by the Experiential Learning Certification Officer.
